

Amendments to the Specification

A. In the application at page 1, after the title but before the Field of Invention, please insert the following paragraph:

This application is the U.S. National Phase of International Application PCT/KR2002/002195, international filing date of November 22, 2002.

B. On page 10, lines 15-18, please amend the paragraph to read as follows:

X represents more than one amino acid residue selected from a group consisting of tyrosine, valine, isoleucine, leucine, methionine, phenylalanine and tryptophane, and the derivatives thereof;
